

Hope Lodge Nebraska's

Wall of Hope

Hope Lodge Nebraska is more than just a lodging facility. Hope Lodge provides a home away from home for cancer patients and their caregivers traveling for treatment. This free lodging helps eliminate many emotional and financial concerns and allows patients to focus on what is most important, getting well. Hope Lodge Nebraska provides a supportive and nurturing environment, along with homelike amenities such as community kitchens, laundry rooms, and recreational areas.

Each luminaria represents a treasured relationship. They symbolize the people we love; each has a name and a story to tell. They are our mothers, our fathers, our sisters, our brothers, our sons, our daughters, our friends, and our loved ones. Displayed day and night, they represent our shared vision for a cancer-free future.

Personalized engraving opportunities are available to share your message in memory or in honor of a loved one. Your name or the name of a loved one can be featured on a luminaria, showing the entire community that you support Giving Hope a Home. Your luminaria will be permanently displayed on the Hope Lodge Nebraska Campus.

We **save lives** and create more birthdays by helping you stay well, helping you get well, by finding cures, and fighting back.
