

ACCO Brands
Walks Across America
to benefit City of Hope

Each ACCO Brands U.S. location is encouraged to participate in the **ACCO Brands Walks Across America** challenge to benefit City of Hope. The events will be held on **Friday, June 16 from 10:00 am – 11:30 am** (some sites may vary – please see your site facilitator for confirmed date and time). All of the funds raised are dedicated to City of Hope's Program - Women's Cancers, Women's Cures. By joining the walk and raising funds, you have the power to make a difference in the lives of women all over the world. Every year, too many women we love must battle breast and gynecologic cancers: our mothers, our wives, our sisters and our friends. Walk for them — and for a future where cancer can no longer take them from us. City of Hope is leading the fight against cancers unique to women through research, treatment and education.

All associates are invited to participate in this fun and rewarding event. You can register as an individual walker or as a team of up to 10 to help raise money for City of Hope.

Although there is no registration fee, we ask that each walker raise at least \$50! Trophies will be awarded to the top individual fundraiser at each location, and the first place overall fundraising team will win a lunch and the second place overall fundraising team will win a continental breakfast. **Everyone who raises over \$50 by Monday, May 22 will be provided with a Walk For Hope t-shirt!**
