To join a team, type in the team name and search:

To start a team or an individual page, follow the instructions and proceed with "NEXT STEP" until you are finished:

From here, you can create a team name, type the name to use as part of your URL, insert a photo or video, talk about why you are fundraising, set goals, etc.

PLEASE REMEMBER:

Once you are done with the process, you can forward the link to other co-workers to get them to join your team. Or, you can send the link to friends and relatives so they can donate to your individual page and/ or team!

GOOD LUCK AND THANK YOU FOR PARTICIPATING!
